NAMWOLF Welcomes Women-Owned Law Firm MORAN • KARAMOUZIS LLP as Law Firm Member

ROCKVILLE CENTRE, NY – The National Association of Minority and Women Owned Law Firms (NAMWOLF) is pleased to admit MORAN • KARAMOUZIS LLP, a women-owned law firm based in New York, to its growing list of top-rated law firm members.

Siobhan E. Moran, the Firm’s Managing Partner, remarked: “Achieving diversity has long been talked about by government and corporations as the ‘right thing to do,’ but their emphasis has always been on majority-owned firms. NAMWOLF focuses on advocating on behalf of, and promoting, law firms owned and operated by AV-rated, experienced, and talented women and minorities. More than a ‘call to action,’ NAMWOLF’s targeted focus and support is a worthy (and attainable) goal – one guaranteed to achieve meaningful diversity in the legal profession for this generation. We are proud to be one of NAMWOLF’s member law firms and look forward to helping NAMWOLF fulfill its mission.

“NAMWOLF is excited to have MORAN • KARAMOUZIS LLP join the ranks of our highly-qualified law firm members,” stated Jane Kalata, Associate Director-Law Firm Membership of NAMWOLF. “It was a natural decision to admit them as members; their capabilities and areas of expertise will complement the organization and its efforts,” he added.

MORAN • KARAMOUZIS LLP is a commercial litigation firm, with offices in New York City and Long Island. The firm represents a broad spectrum of clients in a wide range of commercial and corporate litigation matters typical of much larger firms, but in a more efficient and cost effective manner. Moran Karamouzis is also an AV-rated law firm. The firm works at all levels of the Federal and State courts in New York, New Jersey, and Connecticut, and several other states as well.

MORAN • KARAMOUZIS LLP practice areas cover complex corporate and commercial litigation, including jury and non-jury trials, appeals and class actions, mediations and arbitrations (AAA and NASD) involving banking, commercial and financial transactions, corporate, employment, bankruptcy, real estate, life, health and disability law, including ERISA, and professional discipline.

The National Association of Minority & Women Owned Law Firms (www.namwolf.org) was founded in June, 2001. It is a national trade association comprising a select group of minority and women-owned law firms which exhibit excellence in the legal profession. The primary aim of the organization is to advocate for the increased utilization of minority and women-owned law firms by major corporations and public entities throughout the United States.
